

Anti-social behaviour questionnaire

Winchester City Council's Community Safety and Neighbourhood Services Team work towards creating a safer, cleaner and greener Winchester. By engaging with the local community and actively responding to community issues we aim to work with you and our partners to reduce incidents of anti-social behaviour.

Following some recent intermittent reports of low level Anti-social Behaviour in the area we are going to undertake a street brief. The aim is to provide residents with an opportunity to come and talk to us about their concerns. However, if you would prefer you can complete the short survey below to help us understand what types of Anti-social Behaviour is taking place in Badger Farm so that we can work with our partners such as the police, to try and alleviate some of the issues.

You can either pass the completed questionnaire to us when we are on site or wait for us to knock your door and we will collect it. Alternatively, you could come and say 'hello' when we are in the area, just look out for our van (Neighbourhood Services sign written on it).

On Friday 6th August 2021 we will be Badger Farm playground at 11am and then Ivy Close at 2pm.

1. Is local anti-social behaviour (ASB) a problem for you and your family?

(Please tick)

- Yes
- Sometimes
- Rarely
- Never

2. What types of ASB have you witnessed?
